Dear Valued Jayco Dealer:

This notice is sent to you in accordance of the National Traffic and Motor Vehicle Safety Act.

Jayco has decided that a defect which relates to motor vehicle safety exists in certain Model Year 2013 through 2015 Seismic, Pinnacle and Eagle Premier Fifth Wheels manufactured April 3, 2013 through February 27, 2015.

The affected vehicles were manufactured with HSM quad steps that two specific located rivets of the step may shear or pull out under load. If the defective rivets fail, section/s of the step may come loose and/or break and cause personal injury.

The remedy is to remove the existing rivets in the two specific areas with a larger bolt with a higher weight rating. The recall remedy will take approximately one half hour per HSM step present on the fifth wheel and will be performed at no charge to the customer. All pertinent documents pertaining to this recall are on file under the Service and Parts tab of Jayco Partners.

Our records show the following Jayco units are affected by this recall and are currently part of the inventory at your dealership and require the Recall repair prior to being sold:

Dealer Campaign Responsibility

Federal law requires that all units in your inventory be repaired prior to delivery to a customer. If you have sold a unit recently that you have received a stock recall notice on, please contact the owner immediately to advise of the recall. In addition, please register the unit by submitting the Warranty Registration information to Jayco.

If you have any questions, please contact Jayco Customer Service 800-283-8267 for further instructions.

We apologize for any inconvenience this may cause. However, we have taken this action in the interest of our customer's safety and their continued satisfaction with the Jayco fifth wheel.

Sincerely,
Jayco
